

Happy New Years!

We hope all our returning and new skaters had a wonderful holiday. The first week of the winter season starts on Monday, January 8th.

Looking back, December was an exciting month! We want to thank all our families for supporting both our “Fairytale on Ice” show as well as the Vancouver Giants Hockey game fundraiser. The Ice Show was such a great opportunity for our skaters to showcase their skills and perform for their families and friends.

At the Vancouver Giants game, some of our young power skaters played in the intermission! The Seventh player at the game was power skater 6-year-old Eugenia Wang and power skater Emily Wilson even gave a post-game interview! Thank you to the volunteer coaches and everyone who came out and supported the 50-50 draw.

We also want to congratulate our Synchronized Skating team, Solar Ice, who won the gold medal at the recent BC/YT Synchronized Skating Competition in the STAR 4 category. This team is made up of 10 skaters, ages 6 – 12 years old. We are looking at starting a second team and encourage any interested skaters to reach out for information.

Our Director of Skating and coaching team are looking forward to seeing everyone back on the ice next week!
