To celebrate Halloween, we will be having a Halloween theme skate during the regular skating sessions listed above. There will be special music, games, treats and skaters may wear their Halloween costumes.

**DETAILS:**

- Skaters may wear their complete costume or a piece of the costume (they may wish to decorate their helmet).
- It is important that the costume is safe to skate with and does not impede their skating; no part may be touching the ice and no handheld accessories or mask.
