## POSITION SUMMARY

During special performances such as Ice Show and Synchronized Skating competitions, we will require volunteers to apply cosmetics and style hair on the skaters. The **Cosmetics and Hair Stylist** shall apply cosmetics and/or style hair for the skaters for various performances. They should know how to apply cosmetics to the eyes. Knowing how to apply false eyelashes would be an added benefit.

## TASKS

	It is the volunteer's responsibility to sign-in and sign-out on the "VOLUNTEER SIGN-UP" form.
	Use either the club supplied cosmetics or the skaters supplied cosmetics and apply as directed. If applying for the synchronized skating teams, be aware of the colors and application procedure to ensure all members have a similar appearance.
	Use skater supplied hair accessories including pins, flowers, hair nets, etc. If skater does not have any, use club supplied hair pins and elastics.
	Please be mindful that not all skaters feel comfortable having a stranger apply cosmetics on them or style their hair. Please ask them first. If they insist that their hair and makeup are already done but the volunteer doesn't believe it to be tied tight or have enough gel or cosmetics is not applied correctly, ask the skater who they would like to help them.
